

Makeup Night

Join us on May 4th for a fun filled evening of glamour! Nadine and Kate will be presenting new Autumn/Winter mineral makeup looks in our West End salon from 6-8pm. As you know, we've been stocking the original makeup for around 6 years now, and it's cult status is huge amongst celebrities such as Katherine Heigl and Jennifer Anniston. Please phone us on 07 3846 5636 to secure your seat – numbers are limited.

Organic skin care and haircare

Are you interested in products for your skin and hair that are:

- ★ organic?
- ★ of professional quality?
- ★ amazing looking?
- ★ made in Australia?
- ★ affordable?
- ★ full of fantastic essential oils?

If so, send me an email: nadine@rokstar.com.au and let me know what you are looking for in a product, and whether you would like to help me test a new range of organic hair and skin care.

Celebrity Looks

Fringes are still everywhere and the celebrities to take notice of include Keira Knightley and Kim Kardashian.

Hair colour is warming up with hues of pale copper, rich autumn browns and golden blondes. In fact, Wella have just released the newest colours for Autumn called "Killer Blondes". Whilst still light and luminous, these shades have a warm glow that begs to be noticed. Smoky eyes are no longer a stand-alone feature – throw out the nude gloss and go for striking red lips in ID Bare Essentials "Classic Red".

If you're looking for an inspirational era think of the 1960's: false lashes, bouffant crowns and Audrey Hepburn style updos.

New products from evo

SSSShhhhhhhhhhh! We've heard that evo has some new products arriving soon like 'dry shampoo', 'volumising dust' and 'spray wax', but don't tell anyone!

Fall out boy and the All American Rejects

Nadine and Keelan recently looked after the locks of the All American Rejects and Pete Wentz from Fall Out Boy during their huge show at the Brisbane Entertainment Centre. They were also guests at the show and had a fantastic time. Apparently, Pete is smitten with baby Brooklyn 😊

Taylor Swift

Also in town recently was sweet sensation, Taylor Swift. This time it was the dynamic duo of Nadine and Kate doing hair and makeup. Taylor looks and sounds amazing, and her hit 'Love Story' is here on youtube: www.youtube.com/watch?v=KlB7qt6v_U

Congratulations to our recent brides: Robyn Edmonds, Tammy Rehren, Emma Weegink, Lindsay Walker, Tanita Gallagher (pictured), Judy Bastin, Cathy Schaffer, Leandra Tuck, Cosmina Durcau, Theresa Burke and Rebecca O'Sullivan. We've been extremely lucky to visit such beautiful places as Yamba, the Byron Hinterland, Caloundra, Twin Waters, O'Reilly's and so on. It makes a lovely change of pace, and we're delighted to be asked to share these special moments. Jemima will soon be retiring from weddings to work in the West End salon on Saturdays, and so, Adrian is in intensive training. Also joining the wedding team is our fantastic makeup artist and Salon Coordinator, Kate.
