Celebrity Look

The 67th Golden Globes were all about elegant, wavy hair and simple updos that were, mostly, without fringes and height at the crown is also making a comeback. Lips were not as nude as they have been, with stars opting for more colour that ranged from soft berry gloss through to matte reds. Marion Cotillard, of "Nine" fame, was gorgeous in her deep emerald gown and understated updo:

You can achieve this look at home by applying **Sebastian Zero Gravity** spray and hot rollers to the centre-top section of your hair. Leave it to cool while you do your makeup. Line your eyes with **ID Bare Escentuals "Black Emerald"** shadow, softly enhance your cheeks with **"Bare Radiance"**, and gloss your lips over with **"Sugar Cookie"** - all \$44 each. Now, brush out the hot rollers with your **MasonPearson** brush, gently back-brush (ask your stylist for help here...) and spray again. Twist into a pleat at the back and secure with some sparkly pins. You could use \$150,000 worth of Chopard pins, like Marion, or you could get that extra shine by using **Moroccan Oil** to blowdry first - just like her stylist did! Top off this look with short, well-manicured, **black nails**. Bring on winter!

Another celebrity to watch was January Jones of "Mad Men": We just love her big wide headband, one shoulder dress, and smashing red lips. Try **ID Bare Escentuals "Red Delicious"** Lipstick for a neutral, vintage, cream result that will go with everything. We dare you!

Ralph's Garage

Nadine's husband, Ralph, has recently embarked on the exciting (and frightening) adventure of opening his own business! Ralph's Garage is located in a handy position on Vulture Street, just around the corner from the West End salon. Focusing on regular servicing, wheel aligning and maintenance, this will prove to be your friendly, local and trustworthy mechanic.

Environmental Commitment: At Ralph's Garage we not only meet the basic regulatory obligations, we are actively working towards a greener automotive industry.

Ralph's Garage, located at 41a Vulture Street, is open from Monday to Friday, 6:45am - 4:15pm and more information can found here: www.ralphsgarage.com.au or by phoning Ralph directly on **0413 322 439**.

Join us for **the Ralph's Garage opening party** on Friday the 20th of February at 7pm, featuring a live rockabilly band, sausage sizzle and drinks - kids welcome.

Nadine's having a baby!

Sometime in late February to early March Nadine is due to give birth to a baby boy named Edward. Nadine, Ralph and Levi are all very excited, and cannot wait to share this special occasion. Nadine's last day in the West End salon will be on Saturday the 20th of February, and she will return on Tuesday the 13th of April. She is working hard to see as many of her valued clients (and friends!) before she goes, so don't panic, if you have trouble getting an appointment, just leave her a message and she'll phone you straight back. You may contact her directly here: Nadine@rokstar.com.au or ph: **0416 299 731**.

Alice in Wonderland

Courtney, Danii and Angela got up nice and early one Tuesday morning to prepare fourteen models for a magical "Alice in Wonderland" themed video clip. We hope to have images on our website soon.
