## Styling Elements

Nadine has just returned from presenting her "Styling Elements" seminar and workshop in Sydney for Wella. She was assisted by Em, and produced four stunning looks in front of a live audience, returning the next day to educate a class of up and coming stylists. Brisbane, Launceston and Melbourne to go! Nadine enjoys using the Wella High range of styling products, and knows you will too. For a long-lasting bouncy blowdry that's fit for a 'Sex and the City' night out try the flexibility and shine of Styling Mousse.

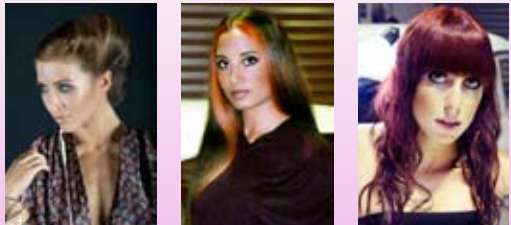

## Welcome back Niki

After a great trip overseas Niki has returned to Rokstar. She is settling down in Brisbane with her fiancé Ryan, and is really enjoying being back. You can book an appointment with Niki in the West End salon from Wednesday to Saturday by phoning 3846 5636. Niki will also be looking after the hair and makeup of many of our brides this year.

## Trend Vision

Each year Wella hosts an international photographic competition called Trend Vision. It's a great opportunity for our team to push our creativity just a little bit further. Nadine, Angela and David have all entered. What do you think?

## Australian Hairdressing Council

Not only has Rokstar joined the prestigious new AHC, but Nadine has also been asked to apply for the role of AHC Assessor, meaning that she will be helping salons in Queensland reach the business benchmarks required to become members. These include important characteristics such as environmental responsibility, salon design, employment and marketing practices, and so on. Nadine is proud to be a pioneer in the improvement of industry standards that will provide a fantastic future for young stylists, and the assurance that clients need when choosing a hairdressing professional.
